CENCARO

Central Carolina Technical Institute

C.C.T.I.

Honest and sincere is every face you see;
Students walking here and there in true harmony.
Anger is not shown out here — together we all try
To build up lots of brotherhood and this is not a lie.

We never look for problems
But when it's what we've found,
We know just where to go for help,
Our counselors are around!

Everyone is cheerful through every class filled day
And we all try to show it by smiling all the way.
The staff is so very helpful, they always find the time
To give us hope and confidence when we are in a bind.

If ever you consider attending this friendly place,
Don't be discouraged by your color, creed, or race!
Friendship and togetherness here go hand in hand,
And at Central Carolina Tech
It's this for which we stand!

Sandra Dowdy

Dedicated to Ray Epley

You're "somebody special"
Who has a true knack
With the nice-ness and warmth
That a lot of folks lack.

You're one of a kind
And it seems from the start
You capture a place
In everyone's heart.

You're "somebody special"
What more can we say
Except that we thank you
For being that way.

Peggy Cheek

1970

1976

Mr. James Watson, you are the sunshine of our lives!

STUDENT LIFE

Get it over with!

Wolfman Jack in person.

It's got to be here somewhere.

Play it again Sam.

It's not polite to tell secrets.

CLUBS

Tool and Die Club

The Tool and Die Club is one of the most active clubs at CCTI. They were organized on November 7, 1975, and have a membership fee of \$1.00 per year. The officers are: Richard Bogan, President; Crane Wakefield, Vice-President; Roger Campbell, Treasurer; Margaret Wilkes, Secretary. Before Christmas the club held a bake sale in the Student Commons and raised \$53.00 for a needy family. At Thanksgiving a drawing for a turkey, a ham, and a cake was held.

Future Secretaries Association

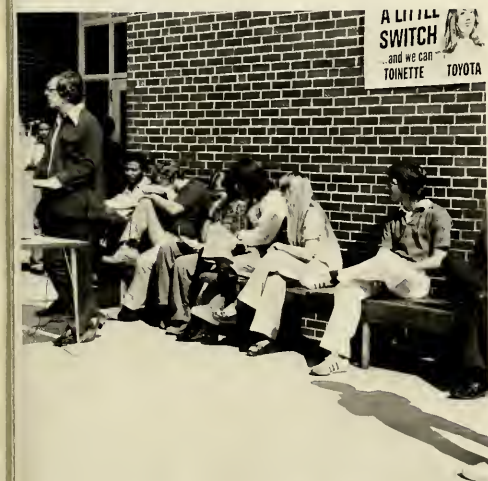

The Future Secretaries Association has three objectives: (1) To stimulate interest in the secretarial profession; (2) To develop a better understanding of secretarial responsibilities; and (3) To provide the basics necessary to the preparation of future professional secretaries. The local chapter must follow the national guidelines and have programs of benefit to the students. Two girls took the national scholarship exam this year. This year's officers are: President, Beth Biddle; Vice-President — Gwen Thrift; Secretary — Phyllis Cameron; Treasurer — Janie McKenzie; Reporter — Marilyn Gill; Advisors — Claudette BOWENS and Linda Moore.

Student Government Association

The purpose of the Student Government Association at CCTI is: (1) To guide, encourage, and inspire the mental, physical, and ethical development of the student so that he is encouraged to achieve maximum potential as a leader in society; (2) To promote a harmonious relationship among the students, faculty, and administration through a clear and continuous exchange of ideas; and (3) To promote the improvement of the school and community through self-actualization, further education, exemplary behavior, and responsible contribution as a citizen. The officers for 1975-76 are: President — Roman Lyczkowski; Secretary — Toinette Lanier; Treasurer — John Manos

"A happy child of earth."
William Wadsworth

"It's more than a game, it's
an institution."
Thomas Hughes

"Every man loves what he is good at."
Thomas Shadwell

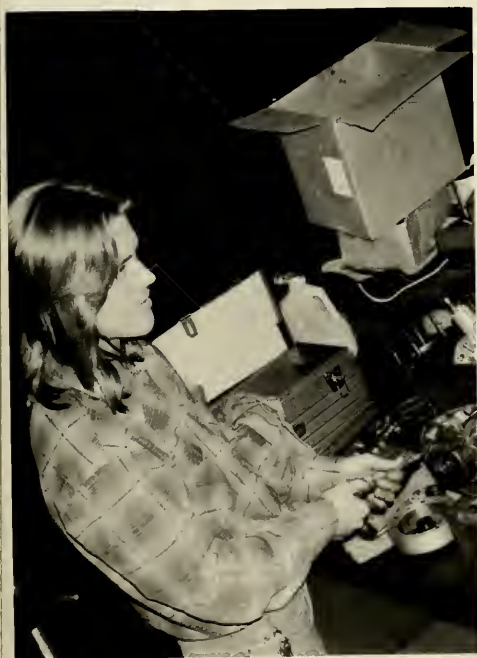

"When I give, I give myself."
Walt Whitman

"I am part of all that I have met."
Alfred Lord Tennyson

"To be nobody but yourself in a world
which is doing its best to make you like
everybody else, is to fight the hardest
battle there is." Adapted from E.E.
Cummings

Agricultural Science and Mechanization

This course is designed to train farmers to develop abilities necessary for efficiency in farm management; to train beginning farmers the proper procedures and techniques of farming and to help farmers develop an awareness of their responsibilities as a citizen in the community.

Graduates of this curriculum can get or continue employment on practically any farm as a laborer, manager, or owner-manager.

Complexity in automotive vehicles increases each year because of scientific discovery and new engineering. This curriculum provides a basis for the student to compare and adapt to new techniques for servicing and repair as vehicles are changed year by year.

The purpose of the Business Administration curriculum is to help the student develop an understanding of the principles of organization and management in business operations, to understand our economy through study and an analysis of the role of production and marketing, to gain a knowledge in specific elements of accounting, finance, and business law, to understand and learn effective communication for business, and to gain a knowledge of human relations as they apply to successful business operations in a rapidly expanding economy. Positions are available for the graduate in business areas such as advertising, banking, consumer credit, finance, retailing, wholesaling, travel and tourist industry, insurance and communications.

Industrial Management is designed to develop the student's ability to advance in an industrial occupation and to assume the responsibilities that accompany foreman, supervisory and mid-management positions in all types of industry. Industrial Management is designed so that persons employed full-time may attend school during the evening hours on a part-time basis over a three year period and earn an Associate in Applied Science Degree in Industrial Management Technology. Course length: 9 quarters

Practical Nurse's Pledge

Before God and those assembled here,
I solemnly pledge:

To adhere to the code of ethics of the
nursing profession.

To cooperate loyally with the other members
of the nursing team and to carry out faithfully
and to the best of my ability the instructions
of the physician or the nurse who may be
assigned to supervise my work.

I will not do anything evil or malicious and
I will not knowingly give any harmful drug or
assist in malpractice.

I will not reveal any confidential information
that may come to my knowledge in the course
of my work.

And I pledge myself to do all in my power to
raise the standards and the prestige of
Practical Nursing.

May my life be devoted to service, and to
the high ideals of the nursing profession.

The purpose of the Veterinary Medical Technology curriculum is to provide training for young men and women who desire to become veterinary medical technologists. The student will develop knowledge in the field of record keeping, reception, restraint of animals for examination and treatment, operating room techniques, medication, feeding, and maintaining proper sanitation. Students also learn the importance of effective communication and its application to proper public relations.

The Veterinary Medical Technology curriculum will provide the sorely needed technical assistance to the veterinarian and assist in the upgrading of the profession. Students graduating in this course will be capable of accepting many job opportunities of a technical nature which exist in the field of veterinary medicine.

Sports

The '76 CCTI Cheerleading Squad, a very spirited group, is composed of the following young ladies: (top to bottom) Karen Lewis, Karen Brown, Cindy Ughetto, Pam LaMarr, Debbie Stevens, Mary Jane McNeill, and Joette Horton, mascot. The cheerleaders, who attend all CCTI basketball games to encourage school spirit, started off CCTI's first Homecoming weekend this year with a pep rally and bonfire.

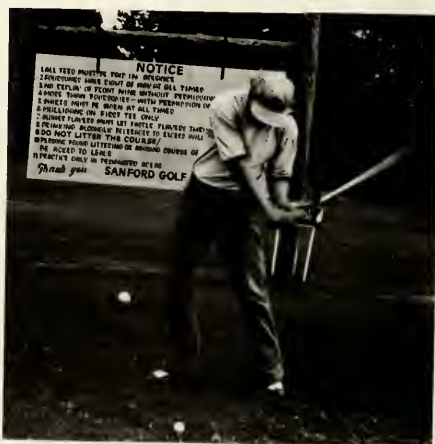

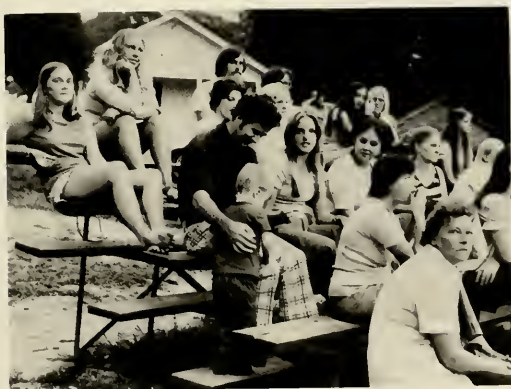

The men's basketball team which plays in the Piedmont Athletic Conference is scheduled to play 19 games a season plus the tournament. The players are Terry Adcock, James Combs, Julian French, Daniel Lee, Tommy Murchison, Jerry Price, Billy Stanley, Steve Thomas, Daryl Thompson, Max Whitaker, and Wayne Williams.

The golf team whose home course is the Sanford Golf course plays 10 intercollegiate matches each season. Mike Cotten, Miles Hamilton, Steve Lanning, Jim Noonan, Walt Perry, Bob Rosser, Terry Sneedeen, and Skip Stewart are the players.

The women's softball team competes against other women in the City League. Players are: Barbara Foxx, Sheila Foxx, Dale May, Alice McIver, Ulanda McIver, Donna Miller, Brenda Noble, Debbie Norris, Anne Sox, Teresa Spinks, Veronica Watson, and Bonnie Yeargin.

The women's basketball team consists of eight players who play in the City League and against four colleges. Trilby Boerner, Susan Delpapa, Brenda Douglas, Sheila Foss, Teresa McDanel, Susan Mudge, Erin Provancha, and Terry Suggs are the players.

Tennis

Robert Rowe, left, and Kelly York, right, were winners of the Piedmont Athletic Conference Doubles Championship.

The tennis team consists of five players: Steve Lanning, Robert Rowe, Billy Stanley, Skip Stewart, and Kelly York. The team, which plays in the Piedmont Athletic Conference, won the Fall tennis tournament.

Bowling

Bowling at CCTI is an intramural sports activity. Three person (male and female) teams are formed in this handicap league. Trophies for regular season team champs, high scratch, high series, high handicap and high handicap series are awarded.

Miss CCTI

Miss Cheryl Foxx, chosen by majority vote of the student body during the Fall quarter to be the 1975-76 Miss CCTI, represented the school in the Miss Lee County Pageant. A second year Secretarial Science student, Miss Foxx anticipates graduating in May.

Student Commons Dedication

Dr. Hockaday greets students and presents the building to them.

Come on, let's go inside.

The Student Commons houses the bookstore, cafeteria, gameroom, TV room, and conference room used by the SGA, Circle K club, annual and newspaper staffs.

The Old.

The New.

Left to right: Betty Jones, Girl Friday; Karen Boyer, Business Manager-Assistant Editor; Peggy Cheek, Highest Ad Seller; Jane Wiggs, Editor; and Mallory Boyes, Typist.

Mrs. Lorace Thomas, our advisor, helped us through thick and thin.

Ray Stanley helped us with clubs, pictures, copy, and typing thank you notes.

And you know, we have to get this book out on time!

This is what it takes!

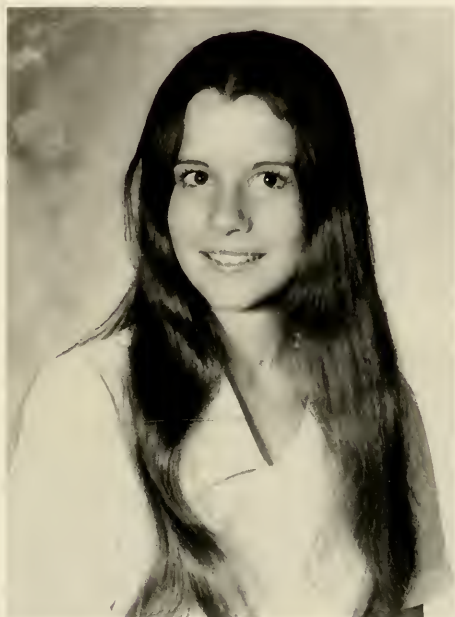

Well, what do ya'll think?

I think I am going to die!

We have a great deal of exploring to do in order to find the place where we share our lives with other lives.

John Hay

Everything that happens to you is a part of your awakening.

Baba Ram Dass

MMMMMMM, Good!

The gift of a job.
Frederick Marryat

Thinking is the greatest fatigue in the world.
Sir John Vanbrugh

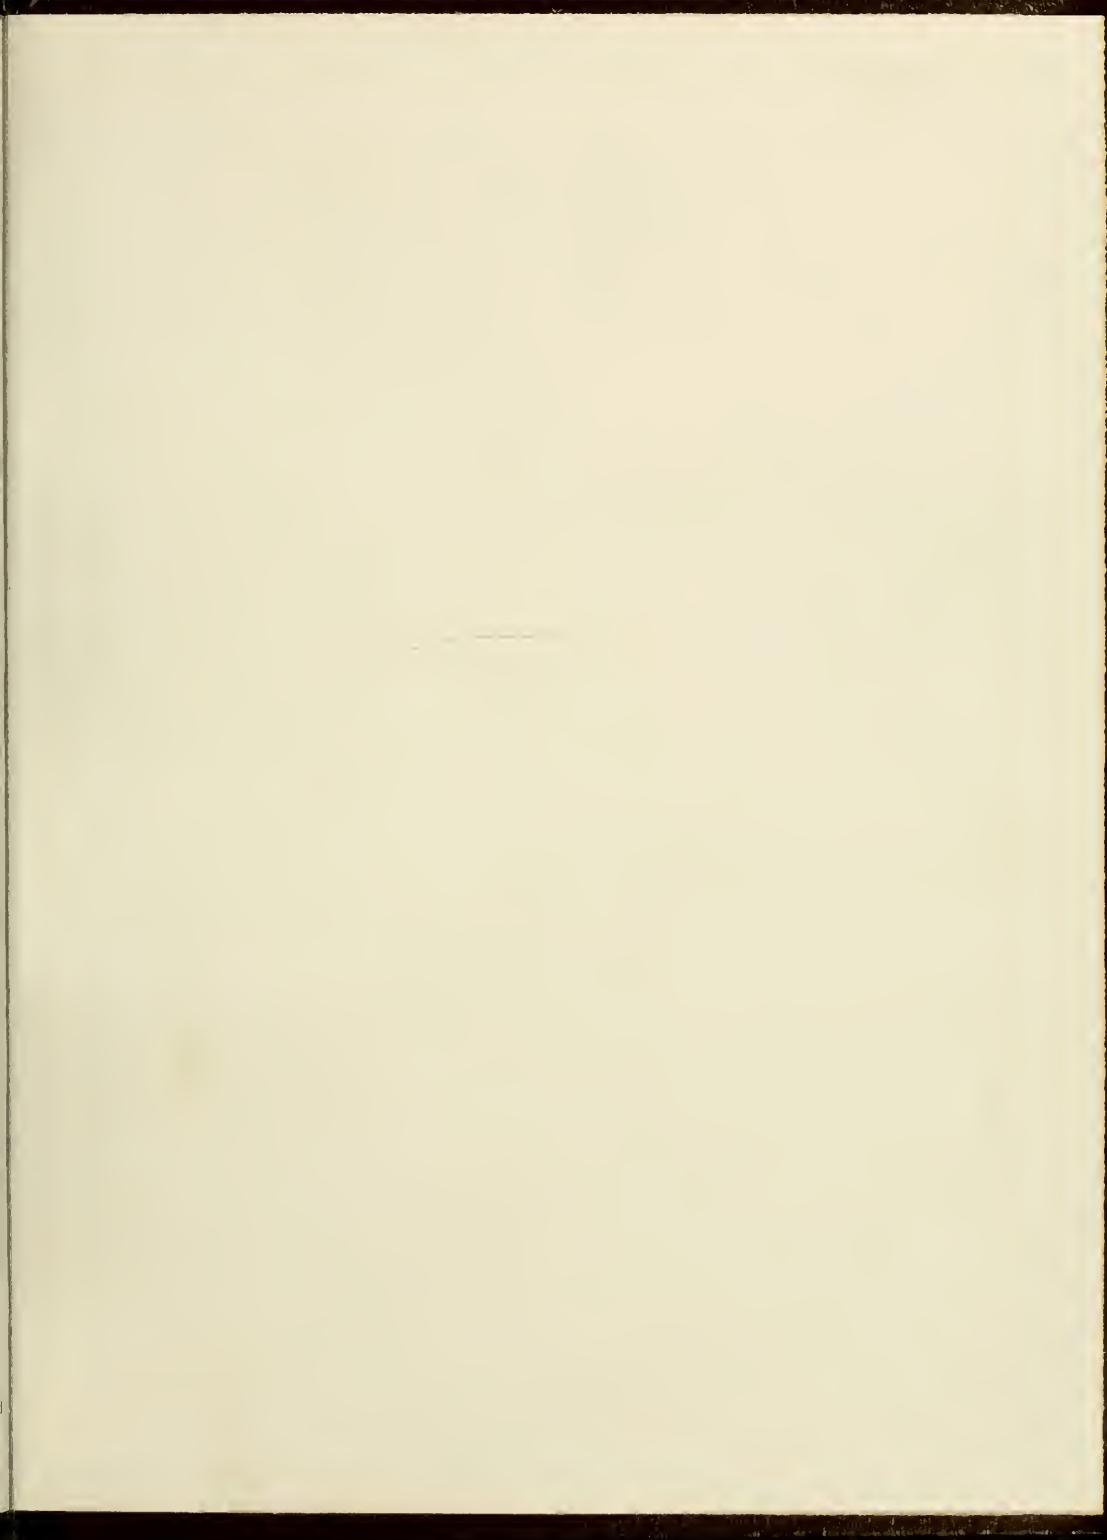

Men have awakened through the years to face all walks of life, each wishing to be a person of himself and not of another. Two trying to be alike shall cross on the wrong roads of life at the same time.

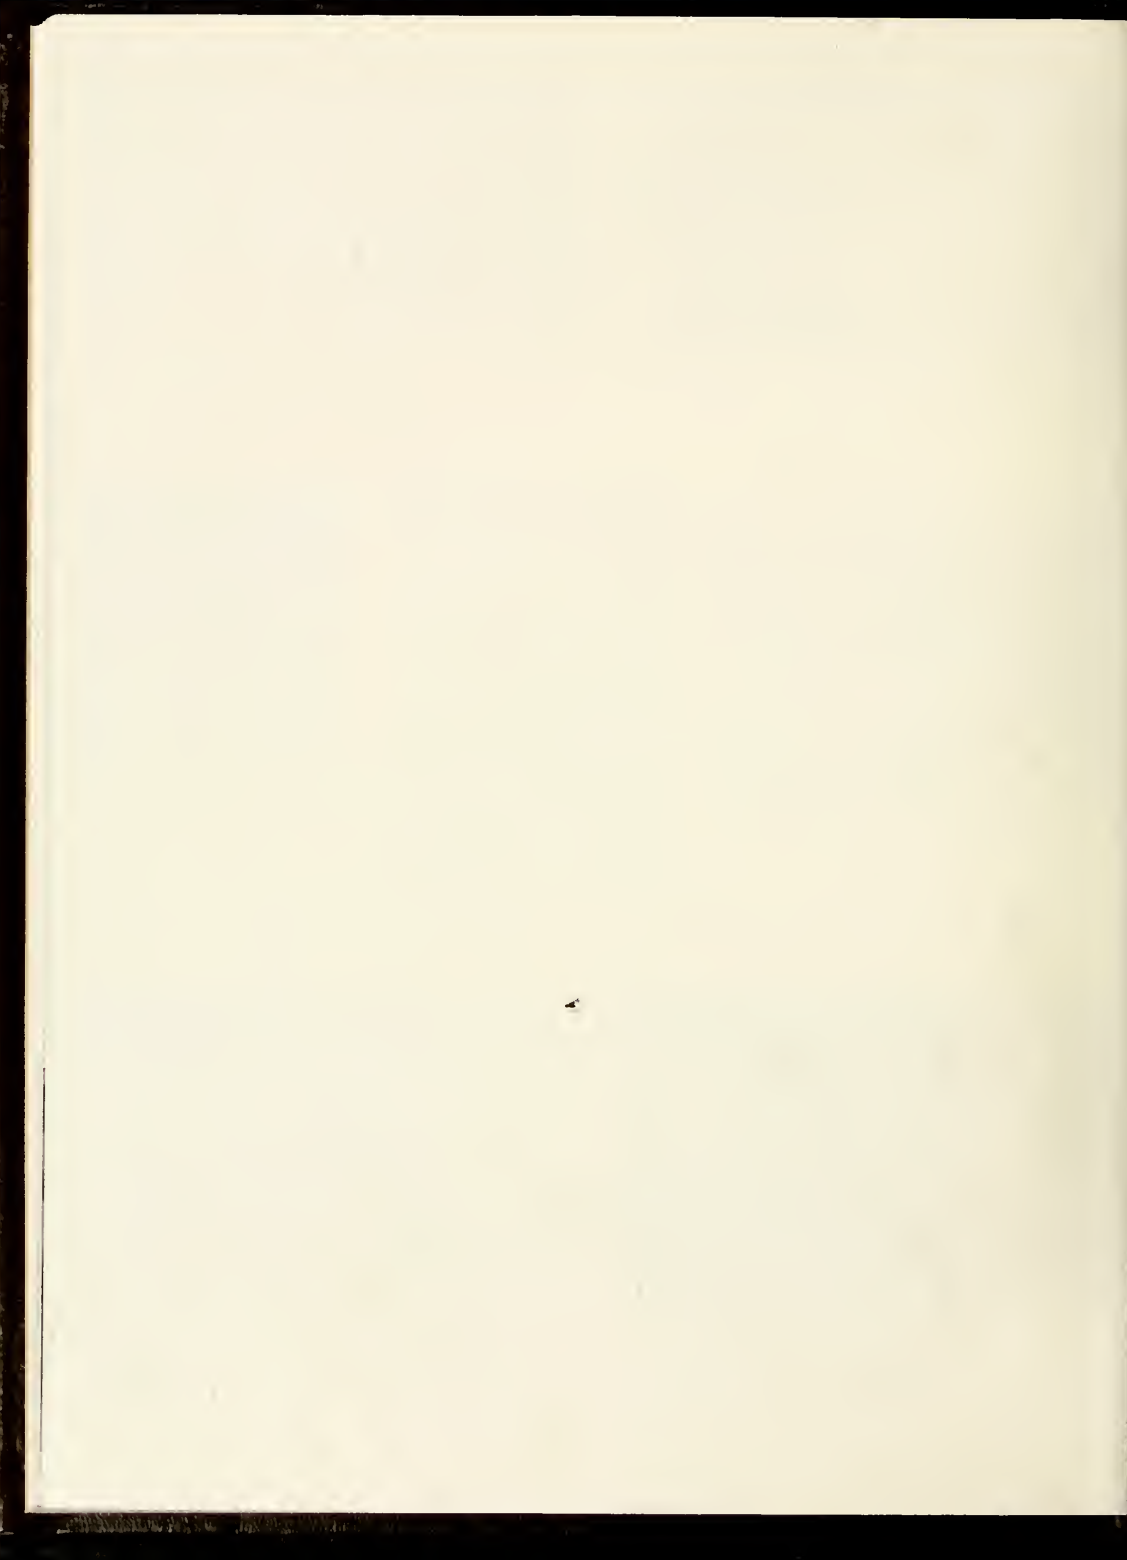

Jane Wiggs

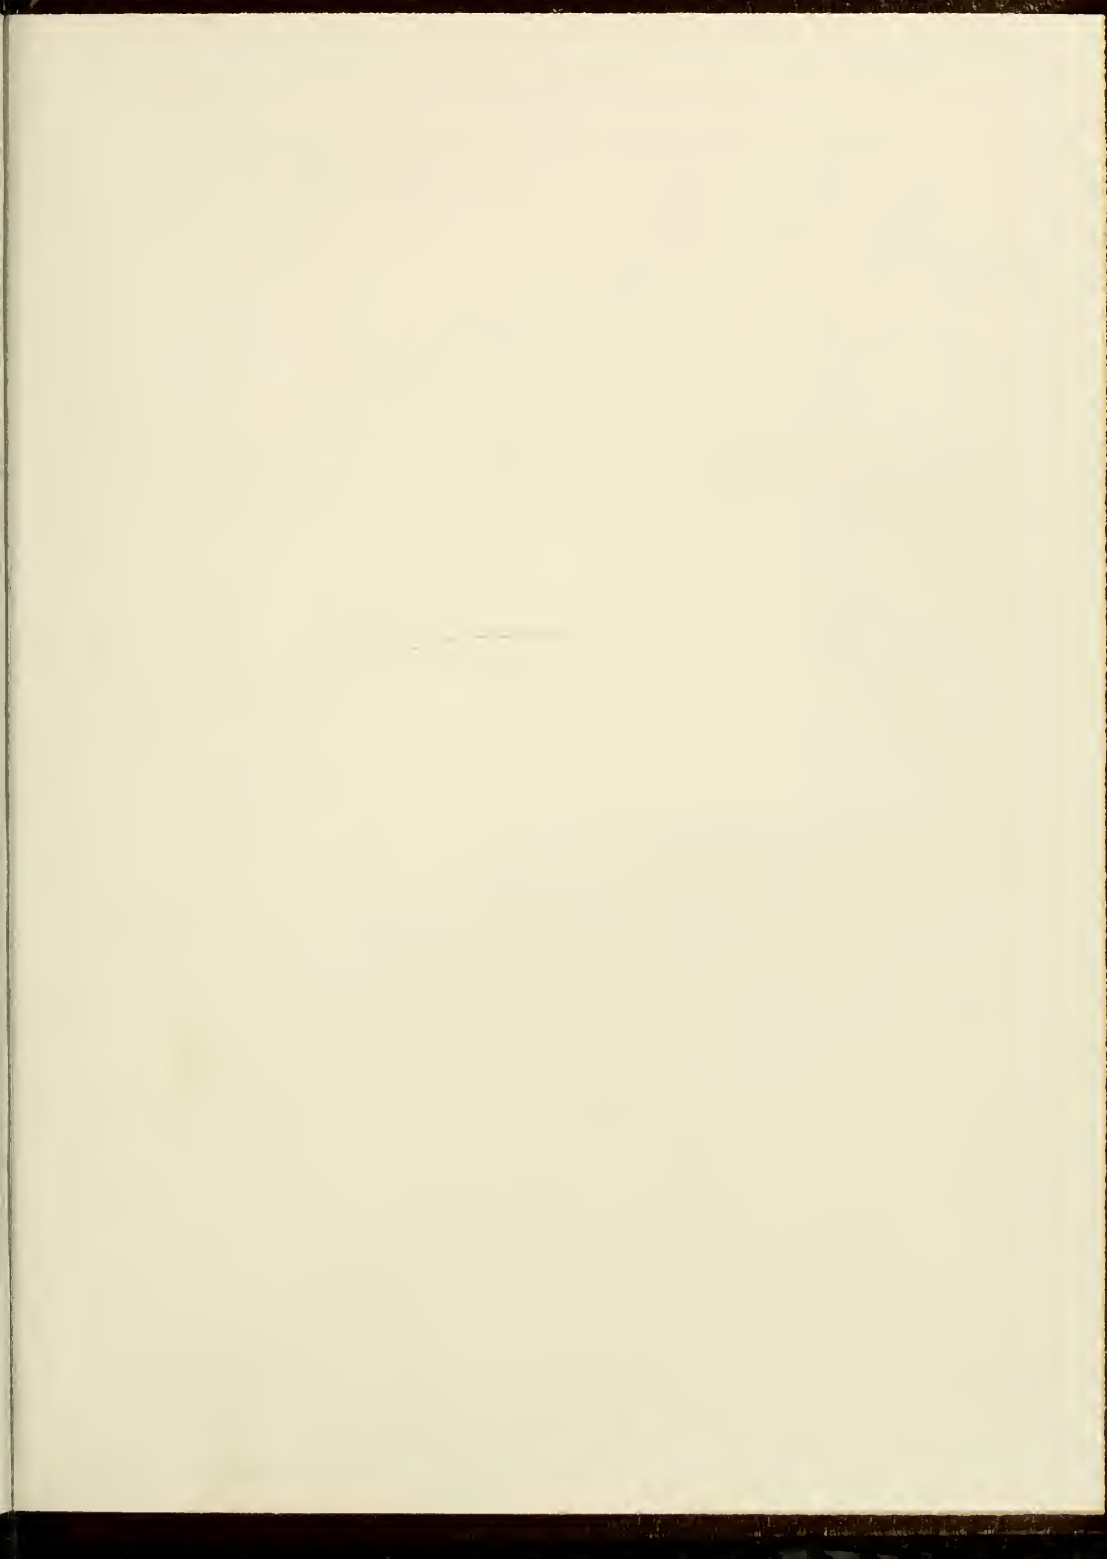

Only a moment; a moment of strength, of romance, of glamour — of youth! . . . A flick of sunshine upon a strange shore, a time to remember; the time for a sight, and — goodbye! — Night — Goodbye . . . !

Joseph Conrad
